

ISAS Basinclı Kaplar ve Isi Sanayi Ltd.

Kullar Yolu Uzeri Ataturk Cad.
No: 59/B Kullar

We have been producing cryogenic (LNG, LIN, LOX, LAR, CO2) semi-trailers and storage tanks, LPG tanks, heating units, steam boilers&etc. We have also developed an automation system to check the maintenance of our products onsite

automatically.

All of our products have a design standard due to AD MERKBLATT CODE 2000 and

ASME. ISAS has the quality system certification "ISO 9001:2000" as well as the

"CE" and "I" marking. The third part inspections for all of our products are done by

"Bureau Veritas or Turkish Lloyd".
