

Edicoo Reklam Ajansi

Erbil

Edicoo was founded in 2008 in Erbil, Iraq. Through the years the team at Edicoo has delivered extremely effective results to our clients with innovative and risk adverse measured television, radio, newspaper, outdoor and other media planning and media buying advertising strategies. Today, Edicoo Media Agency has monitoring and analytics teams. The size of our company and collective experience enables us to offer the best of advertising tactics and strategies. Our clients know they have 24/7 access to our entire Senior Team. Our team has excellent relationships with the all National and Local Tv Channels, Newspapers, Radios and other media companies and connections to the individuals that sell the advertising spaces. We know the tricks of the trade, the negotiation tactics used and the best time to go into the market to obtain the best pricing. Edicoo can help you develop a cohesive advertising media strategy to maximize your budget and reach the most potentials within your target audience. Our team will guide you in making the right choices to maximize your exposure and follow-up on all the details. A well thought out advertising media strategy is the difference between a shot in the dark and a calculated assault on all fronts. 32, Vital Village, Erbil Iraq
